Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

NOT-SO-WEIRD EMMA (HARDBACK)

Viking Books, United States, 2005. Hardback. Book Condition: New. Jamie Harper (illustrator). 178 x 147 mm. Language: English . Brand New Book. Emma doesn't mind being weird, Cynthia says. You should see her bedroom. My bedroom. I can't believe what I am hearing. It's all covered with nature posters, Cynthia adds. It's just like being in a boy's room! Why is Cynthia calling Emma weird? They are supposed to be friends! Well, two can play at that game. In Emma's opinion, Cynthia is kind of a bossy pants. Before long, Emma's entire third grade class is swapping outrageous nicknames like Jar-head, Shrimpy, and even Porky. While it's funny at first, Emma begins to see how much name calling can hurt. But before Emma can call for a truce, her teacher beats her to it and makes the most dreaded call of all the one to everyone's parents! Fresh and funny, with a side of wisdom, this second book about eight year-old Emma is sure to entertain many young readers.
