Sur Quel Pied Danser?: Danse et Litterature

By Edward Nye

Brill. Paperback. Book Condition: new. BRAND NEW, Sur Quel Pied Danser?: Danse et Litterature, Edward Nye, La danse a inspire la litterature, et la litterature a inspire la danse. Mais comment fonctionne exactement l'articulation entre les deux, et quelles sont les consequences de leur reciprocite ? Cet ouvrage analyse ce lien depuis la Renaissance jusqu'a l'epoque moderne, de d'Aubigne a Francis Ponge, de la danse macabre a la theorie de Laban. La relation entre danse et litterature est variable : parfois elle se fonde sur un principe esthetique, parfois sur un principe thematique, ou bien sociologique. Quelque soit la nature de ce rapport, ce livre demontre qu'il est durable et riche de sens. Les moyens d'expression de la danse et de la litterature sont radicalement differents, aussi eloignes les uns des autres que l'on puisse imaginer. Entre l'abstraction du langage et la materialite du corps, le fossé parait infranchissable. Ceci n'est qu'apparence. Mots et mouvements se complementent, les uns aidant a la comprehension des autres. Ce livre relate le desir a travers les siecles d'explorer cette inspiration mutuelle.
