## The Witch Biker's Ride Through the Balance Sheet: An Introduction to Finance and Accounting

By MR Richard Henry France

Createspace, United States, 2013. Paperback. Book Condition: New. 252 x 174 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In creating this book, I have tried to combine a fictitious, humorous, engaging story with academic accountancy learning - on the face of it a seemingly impossible task. It is a novel with as its base a guy called Jack who develops a business and along the way encounters various characters including a vicious Slovenian money-laundering drug dealer and his henchmen, an undercover police sting operation, various slapstick comedy situations in restaurants and a developing love affair with his accountant, Ashna. The teaching is done by Jack asking questions about his business and Ashna answers them with a full exposition of the topics, including a worked example. The chapters are all broken down into discreet topics covering both financial and management accounting techniques and many of the topics have further learning developed in the appendices where there are also extra questions and answers taking the learning a little further on from the main text. The book is clearly structured in the following chapters, all linked through a developing fictional and humorous storyline. Chapters 1. Scenario overview, 2. The...
