I moved to New York so that I could start living life to the fullest, but all I ve really encountered up to this point is hardship and difficulty. My female roommate isn t paying her share of the rent, I have to work multiple jobs to make ends meet, and I haven t dated or even really met anyone since moving here. Things are about to change in a pretty significant way, however, as one rainy night, after my most miserable day at work in recent memory, I attempt to hail a cab at Times Square. Another woman is hailing the same cab, and the two of us decide to split it together. However, as I m sitting beside her, I can t help but harbor the strangest feelings of unbearable attraction toward her. Suddenly, old and suppressed feelings of a lust for female flesh come drifting up to the surface, and I find myself helpless to resist my fellow cab mate s feminine wares- it s only a matter of time, now, before her seduction is complete. Thank you for outright purchasing or borrowing my book through the Kindle Unlimited Program. As a reward for your patronage, I am including a FREE full-length romance eBook at the end of this novel.
