Opening Doors: An Implementation Template for Cultural Proficiency

By Randall B. Lindsey

SAGE Publications Inc, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Sixty years ago, the landmark Brown versus Board of Education Supreme Court decision brought a legal end to segregation in our nation's public schools. However, in spite of the demise of Jim Crow laws and the separate but equal doctrine, our system has all but failed our growing population of children of color. In fact, public schools are more segregated than ever, fewer resources are provided to the disadvantaged students who need them most, and achievement gaps continue to be our status quo. Although most educators now concur that the No Child Left Behind Act of 2002 was failed policy, one of the few positive outcomes was the federal requirement to disaggregate achievement data by race/ethnicity, income level, and linguistic diversity. By engaging in what Corwin author, Ruth Johnson, calls peeling back the layers of wallpaper to reveal the cracks beneath, a painful truth was revealed: most of our schools suffer from persistent inequities that limit opportunities for large populations of our students. Cultural Proficiency addresses these inequities through an inside-outside process. Individuals engage in deep self-examination to uncover...
