

The King's Speech: Based on the Recently Discovered Diaries of Lionel Logue

Filesize: 9.6 MB

Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

THE KING'S SPEECH: BASED ON THE RECENTLY DISCOVERED DIARIES OF LIONEL LOGUE

Quercus Publishing Plc. Paperback. Book Condition: new. BRAND NEW, The King's Speech: Based on the Recently Discovered Diaries of Lionel Logue, Mark Logue, Peter J. Conradi, One man saved the British Royal Family in the first decades of the 20th century - amazingly he was an almost unknown, and certainly unqualified, speech therapist called Lionel Logue, whom one newspaper in the 1930s famously dubbed 'The Quack who saved a King'. Logue wasn't a British aristocrat or even an Englishman - he was a commoner and an Australian to boot. Nevertheless it was the outgoing, amiable Logue who single-handedly turned the famously nervous, tongue-tied, Duke of York into the man who was capable of becoming King. Had Logue not saved Bertie (as the man who was to become King George VI was always known) from his debilitating stammer, and pathological nervousness in front of a crowd or microphone, then it is almost certain that the House of Windsor would have collapsed. The King's Speech is the previously untold story of the extraordinary relationship between Logue and the haunted young man who became King George VI, drawn from Logue's unpublished personal diaries. They throw extraordinary light on the intimacy of the two men - and the vital role the King's wife, the late Queen Elizabeth, the Queen Mother, played in bringing them together to save her husband's reputation and his career as King. The King's Speech is an intimate portrait of the British monarchy at a time of its greatest crisis, seen through the eyes of an Australian commoner who was proud to serve, and save, his King.
