Correcting James Clavell's Shogun: 44 Japanese History Cultural Facts That You May Not Know

By Shiratsuyu Asano

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is a question for you. Back in 1600, do you know which country had the most firearms in the world? The answer is Japan. Firearms were introduced to Japan in 1543. Since then, over a decade, Japan had produced and possessed a hundred thousand firearms, according to a report of the Society of Jesus that had propagated Christianity in Japan in those days. In addition, around 1600, it is considered that the country possessed more than half a million firearms that accounted for half of all the firearms in the world. In Shogun, a novel by James Clavell and broadcasted as a TV drama, as well as in The Last Samurai, a film starring Tom Cruise, Japan was described as if there had been almost no firearms and the country had attacked with only bows and arrows and swords around that time. However, it is completely wrong because, as stated above, Japan was the world's top possessor of firearms in that time. After the year 1600 in which the novel is set, the long civil war...
