

Lesson Study Step by Step: How Teacher Learning Communities Improve Instruction

By Jacqueline Hurd, Catherine Lewis

Heinemann Educational Books, United States, 2011. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. At a time when so many educational policies fail to recognize and nurture the capacity of teachers to improve instruction, we feel enormously grateful for the learning community lesson study has brought to us. -Catherine Lewis and Jacqueline Hurd It s a simple idea: if we want to improve instruction, what could be more obvious than collaborating with fellow teachers to plan instruction and examine its impact on students? Lesson Study empowers teachers to improve instruction. Unlike one-size-fits-all professional development, Lesson Study allows teachers to bring their own pressing needs to the table. They seek out answers from one another, from outside specialists and research, and from careful study of students during lessons that incorporate teachers collective knowledge. The result is a shared vision of good instruction. Lesson Study Step-By-Step shows new groups of teachers how to begin this journey, and experienced teams how to to deepen their work. It provides guidance through each step of the Lesson Study process, from building a group and homing in on a topic to conducting and reflecting on a research lesson. Strategies and...
