For, according to Dr Hawkins, success is an attitude we inhabit, rather than a goal we strive for. New readers will find this to be a perfect introduction to an incredible teacher and foremost expert on mental processes, providing profound insights and real-world examples to help anyone focus on - and consequently achieve - what they desire. This fascinating book reveals: The causality formula for success (and deconstruction of so-called failure) How goodwill can actually turn to profit Nine acid-test steps to determine our mode of being How to get to the top (and why the destination is really our starting point) Yet its scope ranges far beyond a mere how-to manual. As Dr Hawkins says, Having facts and know-how does not guarantee success. There are other factors involved. It is these other secret factors that we are going to explore . The secret factors - the heart-centred power principles underlying success - are decoded here, delivering an eternal message of possibility for us all.
