[...]masterful presentation, wrought out with excellent judgment and consummate skill. The creatures of the author s vivid imagination are perfectly formed and fittingly clothed, living, moving, feeling, talking, in complete harmony as the development of the great drama goes on to its consummation. The author has evidently made a careful and profound study of the manifold dangers which beset the Christian church and threaten her spirituality, and consequently her influence and power in saving the lost and maintaining the gospel standard of life and godliness in the world.
