Brand New Book ***** Print on Demand *****.This is a very dynamic book that is the inspiration of the Holy Spirit to show how important is it to understand the origin of marriage? When we consider all the dynamics of this great institution (marriage) and the role it plays in the building of the human race, we can only conclude that it is very important for one's edification and instruction. To fully understand its importance, however, we need to go all the way back to Creation. It is amazing to see how the human race came about. This marvelous accomplishment is utterly denied by some and taken for granted by others in today's society. God's plan for mankind unfolds in the Garden of Eden. So let us delve into this inspirational journey, Let God Be True And Every Man A Liar. (Romans 3:4 NIV).
