If you are a faithful steward who has made the decision to follow Jesus Christ, who seeks to honor the Lord in every area of your life, and who has money to invest for the future, *Investing with Integrity* is primarily for you. The Bible calls us to be good stewards of all the resources God has entrusted to us. Here, financial advisor Loran Graham focuses on how to steward our financial inflow. How do we invest and earn money, particularly within the stock market, in ways that align with our faith values Graham demonstrates how Biblically Responsible Investing (BRI) fits into the bigger picture of biblical stewardship. He addresses the tension between our stewardship responsibility to obtain the best return (as Jesus taught in the Parable of the Talents), and our responsibility to honor the Lord with our money by steering clear of investments that undermine the greater good He is working to accomplish. Through stories and antidotes, Graham shows how BRI works and how it fits into the long view of history. He corrects the common misconceptions. And he encourages us to search the Scriptures in prayer, initiate conversations with our pastor and financial advisor, and be faithful to God's leading in this area. Readers will identify with the author's personal transparency and humility, experiencing BRI through the lens of God's love and compassion rather than through self-righteous legalism.
