Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The letters translated in this book span the most productive period of my literary life, when, owing to great good fortune, I was young and less known. Youth being exuberant and leisure ample, I felt the writing of letters other than business ones to be a delightful necessity. This is a form of literary extravagance only possible when a surplus of thought and emotion accumulates. Other forms of literature remain the author's and are made public for his good; letters that have been given to private individuals once for all, are therefore characterised by the more generous abandonment. It so happened that selected extracts from a large number of such letters found their way back to me years after they had been written. It had been rightly conjectured that they would delight me by bringing to mind the memory of days when, under the shelter of obscurity, I enjoyed the greatest freedom my life has ever known.
