By April Kelley

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lucas just wanted to be a normal human being, but normal is highly over-rated. Lucas Speck had been just some guy who worked at an office supply store and house-sat for his snowbird parents. He was nobody special. Or that's what he thought before the headaches start and weird things start to happen to him. When people start chasing him his whole life gets turned upside down. Bennett Somerset is a dragon shifter, who likes his quiet life in his quiet town. He isn't looking for complications. He already has a family that defines the words, weird and crazy, to perfection. Good thing they live in a small town where nothing ever happens. That is until he smells the most delicious thing in the world and realizes it's his mate. His little witch of a mate just made things way more complicated.
