It is one of the best ebooks. It really is filled with knowledge and wisdom I realized this publication from my dad and I advised this publication to understand.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 104 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Leviticus gets down and dirty. Whether its blood, bodily fluids, disgusting growths, painful sores or the horrible sexual sins between family members, Leviticus covers it all. Leviticus is also very detailed, excruciatingly, to the point you wonder why we as sinners always look for a way out to justify our mistakes, but Leviticus says sorry no excuse accepted. There's a lot of information about priests and festivals, many of those practices we don't use today, so it makes someone wonder, Is Leviticus relevant? Leviticus is relevant because it reveals the extent that God would go to make his people holy. Sin is dirty, but God has a plan to cleanse us from that sin, through a priest who came down to the earth and sacrificed himself. As we read Leviticus we should be happy that today our faith in Christ substitutes for all the ceremony and dress required by Old Testament Law. We should read Leviticus not being nonchalant about our sins, but meticulous in making sure our lives stay pure. Leviticus is about holiness and as we pray through it, we should be striving for that holiness too. PRAYING THROUGH THE BIBLE SERIES What is God's word? Simply put, it is the word of God spoken to people long ago who transcribed that information into writing. That writing was meticulously passed down for thousands of years to speak to us today. How did God speak to people in Bible times? Audibly God spoke directly to people who heard him with their ears or in their heart. Through situations God spoke through the actions and events of this world. Through people God spoke through leaders, kings and prophets who proclaimed...
