THE KING S ENGLISH AND HOW TO WRITE IT: A PRACTICAL TEXT-BOOK OF COMPOSITION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The King s English and How to Write It: A Practical Text-Book of Composition For this edition the book has been carefully revised and in some chapters practically rewritten; in several sections new matter has been included and additional exercises have been provided. In making these changes we have been much indebted to the criticisms of teachers who have used the work and who, in several cases, have urged that more exercises would be advisable. We give tests bearing upon every chapter, and in the Appendix have reproduced a series of recent English papers set at the Matriculation Examination of the University of London. By means of cross-references, the latter questions have been classified as supplementary exercises upon various chapters, but it was thought better to give the papers as originally set, so that they may be worked in toto if desired. We hope the work will be found tolerably complete by those who require help for examinations where English Composition (in various forms) is a test, and where the English papers are of a type similar to those now set at the London Matric. We also trust that it may serve as a class-book where no particular examination is in view. We have tried to make it something more than a cram book, and where it was necessary to give facts and information, have endeavoured to reduce these to the minimum. Rules and facts concerning what might be termed the mechanical details of composition necessarily predominate in Chapters like II. - V., but, as far as possible, we have tried to make them suggestive rather than dogmatic. In Chapters such as VI., VII., bearing primarily...
