By Mark A. Breiner

Quantum Health Press. Paperback. Book Condition: New. Paperback. 496 pages. Dimensions: 9.0in. x 5.9in. x 1.5in. Did You Know That There is More to Dentistry Than Just Your Mouth Most of us are familiar with the traditional mouth-only orientation of dentistry, which is focused on oral hygiene, fillings, and extractions. Whole-Body Dentistry represents a shift away from this traditional approach to dentistry and offers what some feel is a revolutionary view of dentistry one that recognizes that issues in the mouth can trigger seemingly unrelated physical illnesses. Mark A. Breiner, DDS was an early proponent of the whole-body approach to dentistry. He wrote the original edition of Whole-Body Dentistry: Discover the Missing Piece to Better Health in 1999 with an introduction by Robert C. Atkins, MD. Dr. Breiner is now happy to offer a thoroughly updated and expanded edition, Whole-Body Dentistry: A Complete Guide to Understanding the Impact of Dentistry on Total Health with a foreword by cardiologist Stephen T. Sinatra, MD, author of Reverse Heart Disease Now. Dr. Breiner clearly explains the concepts in this comprehensive yet very readable guide and reference. Topics covered build upon each other and are crossed referenced throughout the book for clarity. This valuable information...
