The Minimalist Mom isn't a manual for your first year with your new baby. It also isn't a long list of unnecessary things to buy. It's an intentional guide to living with less and enjoying your brand-new life with baby more. By learning how to clear the things you don't need--expensive baby gear, piles of tiny clothes, a new SUV, an overscheduled calendar--you'll be able to simply and joyfully embrace the space, time, money, and peace they leave behind.
