Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.TODAY S SUPERMARKETS ARE A FAR CRY from the corner grocery stores that once dotted the American landscape from coast to coast. Supermarkets have evolved into stores that sell everything from frozen foods, fresh meats, fish, dairy products, vegetables, and fruits to packaged goods, pharmaceuticals, potted plants, flowers, balloons, prepared foods, baked goods, greeting cards and magazines, plus essential household supplies like glue, batteries, duct tape, automotive supplies such as motor oil, and even some basic appliances, including heaters, generators, propane tanks, and photographic equipment. This radical change from simply selling food to filling store aisles with almost anything a customer might need has created a wide range of retail management jobs in the supermarket industry. Each new department added to a supermarket requires a manager to run it. That translates into executive jobs, as the supermarket industry keeps expanding to make its stores indispensable, one-stop locations for consumers to find anything and everything they are looking for. New supermarkets are opening up throughout the United States all the time, especially in rural areas, as the population grows in those regions. While many parts of the US economy have gone digital, various aspects of the supermarket business just cannot be automated or are simply more efficient when there is a human being in charge. That includes having a manager on site who decides when and how to restock shelves, when to add cashiers to keep the checkout lines moving, and where to put free-standing displays. Individual managers also determine when particular items, especially perishables and prepared foods, should be marked down, and when to have staff circulating on the floor to respond to customers questions...
