Excellent Enterprises Llc, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Corporate Recruiter Reveals Who Gets Hired and Why demystifies and personalizes the human resource office by spelling out the steps required for getting a job and advancing within your company. The book is written from a highly successful, current hands-on corporate recruiter perspective. Many books on the market today are written by those that study staffing, consult on a part-time basis, or are far removed from the day-to-day life of a recruiter that is sourcing, screening and extending offers to job seekers. On average, every 2 to 5 years an employee is looking for their new employer and the length of time shortens when it comes to how long an employee will stay in the same position of employment. Corporate Recruiter Reveals Who Gets Hired and Why reveals actual emails, cover letters, resumes and phone screens for the reader to view and refer to. The reader can see what other job seekers have done correctly to win their job offer or what mistakes they ve made during the interview with their resume or cover letter. Lastly, another advantage this book provides is sample templates for the full-life-cycle recruitment process, including the rarely mentioned, offer letter process. In her book, Kelly Smith, doesn t tell the reader she shows the reader what has or has not worked in real...
